TO: Board of Acquisition and Contract

FROM: Bruce B. Berger  
Executive Director, Solid Waste Commission

SUBJECT: Resolution to exempt from the procedures of the Westchester County Procurement Policy, pursuant to Section 3(a)(xxi) thereof, an agreement with attorney William Wetzel to provide administrative hearing officer services to the Westchester County Solid Waste Commission for a term commencing December 1, 2013 and continuing through November 30, 2014 for a not-to-exceed amount of \$15,000.00

---

Authority is hereby requested from your Honorable Board to exempt from the procedures of the Westchester County Procurement Policy (the "Procurement Policy") an agreement with attorney William Wetzel to provide administrative hearing officer services to the Westchester County Solid Waste Commission (the "Commission") for the term December 1, 2013 through November 30, 2014 for a not-to-exceed amount of Fifteen Thousand (\$15,000.00) Dollars.

Attorney Wetzel has previously provided administrative hearing officer services to the Commission by an agreement having a one year term that expires on November 30, 2013, and a not-to-exceed amount of \$15,000.00.

The Commission is requesting this exemption because it would be in Westchester County's (the "County") best interest for 1) public health and safety and 2) economic reasons to have Attorney Wetzel remain as a Commission administrative hearing officer for an additional one year term commencing December 1, 2013.

The exemption is in the County's best interest regarding public health and safety as said individual possesses the valuable "acquired through experience" substantive knowledge of the laws, rules and regulations governing Commission hearings as well as the daily practices and procedures of the solid waste and recycling industry ("industry") within the County, thereby allowing him to conduct hearings and render reports with recommendations to the Commission with far greater competency and nuanced insight than individuals not having served in such position, with all of same being integral to the Commission's obligation to provide a fair legal forum for Commission licensees while pursuing its mandate to eliminate unlawful conduct within the industry.

The exemption is also in the County's economic best interest as said individual's knowledge, gained through his experience as a Commission hearing officer, enables him to efficiently conduct Commission administrative hearings and render reports which reduce costs to the County through correspondingly reduced time billings.

Additionally, having Attorney Wetzel remain as a Commission hearing officer is in the County's best public safety and economic interest as his acquired knowledge and experience in such position ensures that Commission determinations shall be properly rendered to withstand subsequently initiated New York State Civil Practice Law and Rules Article 78 legal challenges and the significant monetary exposure potentially resulting from same.

Therefore, it is proposed that the County's best interests would be served by exempting this agreement from Procurement Policy procedures pursuant to Section 3(a)(xxi) thereof.

Accordingly, a resolution to exempt this procurement is hereby submitted for your consideration.
