Attached for your consideration is a Resolution which, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through the Department of Public Safety ("Department"), to enter into an agreement with the New York State Division of Criminal Justice Services to accept Federal funds in an amount not to exceed \$19,079.00 for the Department to participate in the Coverdell National Forensic Sciences Improvement Act for the period October 1, 2013 through September 30, 2014.

The Coverdell National Forensic Sciences Improvement Act provides assistance to laboratories to elevate the quality, timeliness and credibility of the forensic services provided to Westchester's law enforcement agencies. The \$19,079.00 will enable the Department of Public Safety to support overtime. No County funds are required for this program.

The public purpose of this grant addresses public safety issues specifically regarding law enforcement forensic science and medical examiner services. The objectives are to assist the Laboratory Director with maintaining ASCLD/LAB and NYS FSC Accreditations which are required by NYS Executive Law 995. The performance measures and monitoring of this grant will be comprised of a summary narrative outlining the outcome of the review and prioritization of the backlog will be included in a quarterly report to the Department of Criminal Justice Services.
