

37245

TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: December 2, 2013

SUBJECT: Resolution for Authority to Advertise
Contract No. 13-532
Aircraft Deicing Fluid Collection
System Improvement and Apron Reconstruction at Terminal – Contract 2
Westchester County Airport
Towns of Harrison and North Castle and Village of Rye Brook, New York

The 2013 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install new under drains and closed drainage collection system components. Work also includes construction of equipment building, installation of pumps and testing equipment and the installation of two above ground storage tanks.

In accordance with Local Law No. 1-1998, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to reconstruct the second segment of the Terminal Apron and Taxiway A to accommodate the new deicing collection system.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Airport meets FAA standards, thus addressing the County Executive's priority area: Safety and Security (SS).

The project will provide an environmental benefit by diverting deicing fluid from the Airport's storm water collection system.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for this entire contract will be made from the Passenger Facility Charge, not the County General Fund and will not impact the County tax levy.

RESOLUTION

Upon communication from the Commissioner of Public Works and Transportation, be it

RESOLVED, that the Commissioner of Public Works and Transportation be and he hereby is authorized to solicit bids by public advertisement on the following contract:

CONTRACT NO. 13-532
 Aircraft Deicing Fluid Collection
 System Improvement and Apron Reconstruction at Terminal – Contract 2
 Westchester County Airport
