Re: Authority to amend affiliation agreements with (i.) Kendal on Hudson and (ii.) Greenwich Hospital to include additional supervised clinical education and instruction

---

Westchester Community College (the "College") has an existing agreement with Kendal on Hudson ("Kendal") whereby the College, in conjunction with Kendal offers supervised clinical education and instruction for Westchester Community College students who are pursuing training in the Certified Nursing Assistant program. The agreement commenced October 1, 2012 and will expire December 31, 2016. The parties would like to amend this agreement to include supervised clinical education and instruction in the Nursing and Nursing Refresher Programs.

The College also has an agreement with Greenwich Hospital ("Greenwich") whereby the College, in conjunction with Greenwich offers supervised clinical education and instruction for Westchester Community College students who are pursuing training in the Respiratory Care Program. The agreement commenced January 1, 2013 and will expire December 31, 2017. The parties would like to amend this agreement to include supervised clinical education and instruction in the Nursing Program.

There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
