Contract No. 13-535  
Sanitary Service Main Replacement  
110 Dr. Martin Luther King, Jr. Boulevard  
White Plains, New York

The 2014 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to excavate, replace sanitary sewer piping, backfill, grade and landscape.

The objective of this contract is to replace the existing damaged sanitary service main at 110 Dr. Martin Luther King, Jr. Boulevard.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring the continued reliability of plumbing systems along with reducing the County's annual maintenance costs.

This project will provide an environmental benefit by preventing future sanitary spills, thus addressing the County Executive's priority area: Health and the Environment (HE).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
