Gibbons, Esposito & Boyce Engineers, PC, in connection with Engineering Services for the  
Rehabilitation of Tuckahoe Road, CR #36, Yonkers, New York (#14-935)

---

Authority of your Honorable Board is requested to obtain a proposal to negotiate a fee in connection with engineering services for the Rehabilitation of Tuckahoe Road, CR #36, Yonkers, New York.

The objective of this project will be to rehabilitate approximately 0.17 miles of Tuckahoe Road, C.R. #36, from Winnebago Road to the Bronx River Parkway, in Yonkers, New York. This road has an annual average daily traffic count ("AADT") of 12,184 and a pavement condition index ("PCI") of 64 as inspected in 2013. This work is necessary due to extensive deterioration of the roadway. The rehabilitation work shall include, but not be limited to, the following items: milling existing asphalt concrete pavement; filling and sealing joints and cracks; adjusting castings and catch basins; repairing catch basins; replacing all existing frames and grates; curb replacement; replacing/upgrading traffic signal loops; addressing drainage issues and roadside safety; resurfacing roadway with asphalt; installation of new handicap ramps; bus pads; and installing new pavement markings. This agreement will benefit the public as it will enhance the functionality of the roadway ensuring its safe use by the public, thus addressing the County Executive's priority area of Safety and Security.

On October 24, 2013, the Professional Prequalification Board was canvassed for the purpose of generating a list of qualified firms to provide professional services for this project. The Professional Prequalification Board approved a list of six (6) qualified firms to provide professional services for this project. As the fee is estimated to be less than \$100,000, on November 26, 2013 the Professional Selection Board reviewed this eligible list of qualified firms and selected the best three qualified firms to possibly perform said services. The three firms were:

1. Gibbons, Esposito & Boyce Engineers, PC  
50 Charles Lindbergh Boulevard, Suite 503  
Uniondale, New York 11553
2. Dolph Rotfeld Engineering, PC  
200 White Plains Road  
Tarrytown, New York 10591
3. Cashin Associates, PC  
1200 Veterans Memorial Highway  
Hauppauge, NY 11788

After careful consideration, the Professional Selection Board ranked the firm of Gibbons, Esposito & Boyce Engineers, PC as the number one firm suitable for this proposal for these professional services. Authorization to enter into an Agreement will be submitted to your Honorable Board when negotiations are satisfactorily completed. This selection process followed the requirements as outlined in the Rules of the Professional Prequalification and Selection Boards and the Laws of Westchester County.
