SUBJECT: Resolution for Authority to Advertise
Contract No. 14-528
Replacement of Dynamometer System
Central Bus Maintenance Facility
Yonkers, New York

The 2014 Capital Account contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to remove and replace the dynamometer system at the Central Bus Maintenance Facility. The project also includes all associated electrical and controls work.

The objective of this contract is to upgrade the dynamometer system.

This contract is in the public's best interest because it will allow the Department of Public Works and Transportation to maintain the required safety inspections on the County's bus fleet, thus addressing the County Executive's priority area: Safety and Security (SS).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for this contract will be reimbursed through the New York State Department of Transportation's State Dedicated Fund, not the County General Fund and will not impact the County tax levy.
