Re: **Authority to renew an agreement for All Risk Property/Boiler and Machinery Insurance Policy with the New York Municipal Insurance Reciprocal (“NYMIR”) and the CNA Insurance Co. through the brokerage firm the Spain Agency for the period January 1, 2015 through January 1, 2016 in the total aggregate amount of \$1,010,960.00.**

By resolution approved on November 7, 2013 your Honorable Board authorized the County to enter into an agreement (the “Agreement”) for “All Risk” Property/Boiler and Machinery Insurance from the New York Municipal Insurance Reciprocal (“NYMIR”) and CNA Insurance Co. (“CNA”) through the brokerage firm the Spain Agency for the period January 1, 2014 through January 1, 2015 in the amount of \$982,817.00.

The County now seeks authority from your Honorable Board to renew the Agreement with the NYMIR and CNA through the Spain Agency for “All Risk” Property/Boiler and Machinery Insurance for a term commencing January 1, 2015 and continuing through January 1, 2016 in the amount of \$1,010,960.00 for property valued at approximately \$2.910 billion with a \$500,000.00 deductible. Property damage claims that occur valued under \$500,000.00 will be paid by the property deductible portion of the 6N fund. This rate will remain the same and would only be adjusted if property is added (or deleted), in which case the policy will be debited (or credited) at the pro-rated policy rate.

This renewal premium represents an approximate 3% increase in premium and reflects changes due to inflation and market conditions. NYMIR has agreed to keep the renewal rates the same as per the expiring policy.

The Agreement is exempt from the Westchester County Procurement Policy pursuant to section 3(a) v thereof which exempts “procurements of insurance or surety bonds.”

The proposed Agreement will serve a public purpose by insuring the County against any losses that may occur on County property, thereby protecting the public purse.

The goals and objectives of the Agreement are to provide a cost-effective Risk Management program to insure County property. The goals and objectives are in the best interest of the County in terms of fiscal responsibility by being able to manage the risks inherent in County ownership of property.

The Office of Risk Management will track any report of incident and/or accident occurring at the insured premises over the policy period and prepare a summary report at the end of the policy period identifying number of occurrences and corrective actions taken (as necessary) to prevent recurrence.

Accordingly, approval of the attached Resolution is most respectfully requested.
