Re: **Resolution authorizing the County of Westchester (the “County”) to amend an agreement with RVM Enterprises, Inc., for the provision of electronic-document review services in order to provide for additional services and to increase the not-to-exceed amount of the agreement from Fifteen Thousand (\$15,000.00) Dollars to Forty Thousand (\$40,000.00) Dollars.**

---

On November 5, 2014, the County of Westchester (the “County”) entered in an agreement (the “Agreement”) with RVM Enterprises, Inc. (“RVM”), for the provision of electronic-document review services in connection with the lawsuit entitled United States ex rel. Anti-Discrimination Center v. Westchester County, 06 Civ. 2860 (DLC), for a one (1) year period commencing on November 4, 2014 and terminating on November 3, 2015, in a total amount not to exceed Fifteen Thousand (\$15,000.00) Dollars.

Transmitted herewith is a resolution which, if approved by your Honorable Board, will authorize the County to amend the Agreement with RVM in order to provide for additional services and to increase the not to exceed amount of the agreement from Fifteen Thousand (\$15,000.00) Dollars to Forty Thousand (\$40,000.00) Dollars.

This amendment is necessary since the Federal Monitor directed the expansion of the document request and the County must now search for and produce significantly more documents than what was contemplated when the original agreement was entered into.

The goals and objectives of this proposed amendment are in the County’s best interest and will serve a public purpose since the process involved in this document review is labor intensive, and will negatively affect the ability of the Law Department to operate efficiently. Additionally, the continued utilization of an outside vendor will allow the County to meet stringent document production deadlines set by the Federal Monitor. The performance of the Agreement and amendment will be tracked and monitored by the Law Department attorneys assigned to the case as well as the Law Department’s review and payment of invoices.

Accordingly, your favorable action on the annexed Resolution is most respectfully urged and recommended.
