TO: Honorable Members of the Board of Acquisition and Contract

FROM: Honorable Robert P. Astorino
Westchester County Executive

Honorable Michael B. Kaplowitz, Chairman
Westchester County Board of Legislators

Robin Schlaff
Director, Office for Women

DATE: April 7, 2015

SUBJECT: Authority to enter into an agreement with My Sisters' Place, Inc. to provide case management services and on-site temporary child care through its Tot Drop program, for an amount not-to-exceed \$77,250, for a term commencing January 1, 2015 and continuing through December 31, 2015

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through its Office for Women, (the "County") to enter into an agreement (the "Agreement") with My Sisters' Place, Inc. ("My Sisters' Place"), for an amount not-to-exceed Seventy-Seven Thousand Two Hundred Fifty Dollars (\$77,250), to be paid quarterly pursuant to an approved budget, for a term commencing January 1, 2015 and continuing through December 31, 2015 to provide:

- case management services for counseling programs serving victims of domestic violence, community training for service providers and healthcare workers, and outreach programs
- on-site temporary child care through its Tot Drop program for children whose mothers/caretakers are accessing non-residential domestic violence services (such as counseling, advocacy, legal services, and group support) in the agency's White Plains and Yonkers offices

The proposed Agreement will serve a public purpose by supporting state-mandated non-residential domestic violence services for victims of abuse. Non-residential domestic violence services enable victims to become safe and independent and to avoid returning to their abusers or becoming dependent on public assistance. In addition, those abused by a partner often

spend their time having to watch and/or care for their children while obtaining these services. Children not having to be in their mothers' counseling sessions and thereby reliving trauma and being privy to information they should not need to be exposed to positively impacts the children's mental health.

The goals and objectives of the proposed Agreement are for My Sisters' Place to provide case management services for residential and non-residential domestic violence programs, and overall management of program statistics and evaluation, contract development and reporting, program development and ensuring compliance with performance measures; and child care services, as needed, through its Tot Drop Program.

The goals and objectives of the proposed Agreement will be tracked and monitored by the Office for Women.

The procurement for case management services is exempt from the requirements the Westchester County Procurement Policy pursuant to Section 3(a)(viii) thereof, which exempts contracts with agencies engaging health care workers.

The procurement for child care services is exempt from the requirements of the Westchester County Procurement Policy pursuant to Section 3(a)(xviii) thereof, which exempts contracts for the advancement of the moral, physical, mental and social well being of the youth of Westchester County.

Please be advised that Section 459-c of the New York Social Services Law directs social services districts, such as the County, to offer and provide non-residential services to victims of domestic violence, whether eligible or ineligible for public assistance. Non-residential services programs must have the ability to provide the following services:

- 1.) Information and Referral services
- 2.) Advocacy
- 3.) Counseling
- 4.) Community education and outreach activities
- 5.) Hotline services

Attached for your consideration is a proposed resolution.
