TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: May 26, 2015

SUBJECT: Resolution for Authority to Advertise
Contract No. 11-503
Rehabilitation of the Fulton Avenue Bridge
Over Hutchinson River (BIN 3348220)
City of Mount Vernon and Village of Pelham Manor, New York

The 2015 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for the rehabilitation of the Fulton Avenue Bridge including the removal and replacement of the steel bridge deck, the main power feed submarine cable and associated electrical and mechanical components for the drawbridge operations. The project also includes a new emergency generator to be installed in a new housing along with an emergency span drive. The entire structure will be painted and the timber fender system will be rehabilitated.

The objective of this contract is to repair substandard structural elements of the Fulton Avenue Bridge, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Fulton Avenue Bridge meets current codes and standards as well as reducing the County's annual maintenance costs.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
