RE: **Resolution authorizing the County Of Westchester to amend its agreement with Public Safety Psychology, PLLC (“Public Safety Psychology”) pursuant to which Public Safety Psychology provides psychological testing for correction officer candidates in an amount not to exceed Forty One Thousand Dollars commencing January 1, 2015 and expiring December 31, 2015 with four (4) options for the County to renew, by increasing the not-to-exceed amount of the agreement by \$20,000 to a new total of \$61,000 .**

Authority is requested for the County to amend its agreement with Public Safety Psychology, pursuant to which Public Safety Psychology provides psychological testing for correction officer candidates in an amount not to exceed Forty-One Thousand Dollars commencing January 1, 2015 and expiring December 31, 2015 with four (4) options for the County to renew, by increasing the not-to-exceed amount of the agreement by \$20,000 to a new total of \$61,000. The additional funding is required due to the large number of candidates that will be interviewed for the September 2015 Correction Officer class.

This agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3(a) viii of the Policy.

The goals and objectives of this agreement are to effectively and comprehensively screen potential correction officer candidates for psychological suitability prior to offering employment at the Department of Correction. Through a multi-year contract, DOC will benefit from continuity with a vendor that will be familiar with the Department's expectations concerning its workforce.

The goals will be tracked by direct contact between the Special Investigations Unit and the vendor, spot checks of the screening process (i.e. ensuring that candidates are examined for the full duration of time required under the contract), firsthand review of all final reports and invoices generated by vendor by Special Assistant to Commissioner.

The public purpose is to ensure that the Department of Correction successfully screens all candidates in an effort to ensure that it is offering employment to individuals who are psychologically suited for working in a correctional setting.

Accordingly, approval of the attached resolution is most respectfully requested.

**RESOLUTION**

Upon a communication from the Commissioner of Correction, be it hereby

**RESOLVED**, that the County of Westchester, acting by and through its Department of Correction, is hereby authorized to amend its agreement with Public Safety Psychology pursuant to which Public Safety Psychology provides psychological testing for correction officer candidates in an amount not to exceed Forty-One Thousand Dollars commencing January 1, 2015 and expiring December 31, 2015 with four (4) options for the County to renew, by increasing the not-to-exceed amount of the agreement by \$20,000 to a new total of \$61,000; and be it further
