SUBJECT: Resolution for Authority to Advertise
Contract No. 14-517
Hurricane Sandy Rehabilitation- Phase II-2
Exterior Lighting and Electrical Rehabilitation
Yonkers Joint Wastewater Treatment Plant
Yonkers, New York

The 2015 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to remove and replace damaged wire and conduit for the final clarifier rake drives, primary odor control building, aeration and final clarifier tank lighting, roadway lighting, and utility tunnel and control vault and perform related work post Hurricane Sandy at the Yonkers Joint Wastewater Treatment Plant.

In accordance with Local Law No. 1-1998, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to restore this system which is an integral component to safe, long-term operation following the damage done by Hurricane Sandy.

This contract is in the public's best interest because it will ensure that the plant's operations are safe and environmentally compliant, thereby enhancing the health and general welfare of the residents of Westchester County.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
