To: Board of Acquisition and Contract

From: Dr. Belinda S. Miles
President, Westchester Community College

Re: Authority to enter into an affiliation agreement with Cabrini of Westchester for the provision of supervised laboratory/clinical education and instruction for Westchester Community College students.

Westchester Community College (the "College"), through its Division of Natural & Health Sciences, offers a number of programs in the healthcare field. The College offers supervised laboratory/clinical education and instruction for matriculated Westchester Community College students who are pursuing a degree or certificate in conjunction with various organizations. Attached is a resolution that would authorize the College to enter into an affiliation agreement with Cabrini of Westchester for the provision of supervised laboratory/clinical education and instruction for Westchester Community College students in the Dietetic Technician Program.

The term of the agreement shall be September 1, 2015 to December 31, 2019. There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
