Re: Authority to enter into an affiliation agreement with the Greenburgh Police Department for clinical education and instruction of students in the EMS/Paramedic Program.

Included in the programs offered by Westchester Community College (the "College") is an EMS/Paramedic program. The College offers supervised clinical education and instruction for matriculated Westchester Community College students who are pursuing a degree or certificate in this program in conjunction with various organizations. Attached is a resolution that would authorize the College to enter into an agreement with the Greenburgh Police Department, commencing on February 24, 2016 and terminating on December 31, 2020, for assistance in providing this instruction.

There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
