SUBJECT: Resolution authorizing the County of Westchester to enter into an agreement with Legal Services of the Hudson Valley (LSHV) to provide legal services to prevent the loss of affordable housing rental units in multi-family dwellings and to provide legal representation to tenants in subsidized housing complexes whose rights have been violated

The attached resolution authorizes the County of Westchester to enter into an agreement with Legal Services of the Hudson Valley (LSHV) to provide legal services to prevent the loss of affordable housing rental units in multi-family dwellings and to provide legal representation to tenants in subsidized housing complexes whose rights may have been violated. The not-to-exceed amount of \$106,090.00 is to be paid pursuant to an approved budget; the term of the agreement is January 1, 2016 to December 31, 2016.

LSHV helps the most vulnerable members of Westchester communities - poor and low income individuals and families - with free non-criminal legal counsel and representation to protect their basic necessities of life. These necessities include shelter, freedom from physical abuse, medical care and access to legal protections and supports that are guaranteed by law but not always provided. For several years the County has retained LSHV to provide legal representation to eligible families to assist with housing resettlement and eviction prevention as well as to provide an attorney to advocate for preserving affordable housing within Westchester County. LSHV's housing representation and housing funding has been largely limited to cases where individuals or families are in imminent risk of losing housing.

In completing last year's agreement, LSHV met all of their goals of preserving affordable housing within Westchester County. We anticipate LSHV will continue to succeed in accomplishing their goals established for 2016. The 2016 agreement will include but is not limited to: assisting approximately 50 cases with housing issues in five to ten building complexes, attending five to ten negotiation sessions on significant issues, making 60 court appearances or administrative appearances, providing outreach services by attending two to four meetings per building complex and circulating written materials to 150 tenants advising them of the services. The primary focus will be to provide assistance to tenants who reside in buildings with 30 to 50 units. These buildings will be comprised of low income tax credit units, Section 8 housing, ETPA protected buildings and single-room occupancy buildings. The program will be

monitored by the Department of Planning staff, who will review the payment requests to make sure all contractual requirements are met.

Authority to exempt this agreement from the procedures of the Westchester County Procurement Policy, pursuant to Section 3(a)(xxi) thereof, has been submitted to your Honorable Board in accordance with a separate resolution of even date herewith.

I recommend approval of this agreement.
