Re: Resolution authorizing Westchester Community College to extend an agreement with the Regents of the University of California whereby career and college awareness/readiness services will be provided to English language learners from the Ossining and Tarrytown school districts

On August 19, 2015, your Honorable Board authorized the County of Westchester, acting by and through Westchester Community College (the "College"), to enter into an agreement with the Regents of the University of California, acting by and through the University of California, Los Angeles ("UCLA"), whereby career and college awareness/readiness services would be provided to English language learners from the Ossining and Tarrytown school districts for the period January 1, 2015 through December 31, 2015 for an amount not to exceed \$24,000. The agreement was subsequently executed.

UCLA was awarded a Project ExcEL (Excellence for English Learners) Development Grant by the U.S. Department of Education. Pursuant to the agreement, the College has been supporting the career and college readiness of participants through activities such as college information sessions (in Spanish and English) specifically geared to English language learners and foreign born families, college visitations, assistance with the college application process, scholarship and financial aid applications and other outreach programs.

Funding remains from the original not to exceed amount and both UCLA and the College would like to continue this program. The attached resolution would authorize the extension of the agreement until December 31, 2016, with no increase to the not to exceed amount.

Attached is an appropriate resolution.
