Re: Resolution Authorizing an Agreement with the City of Yonkers for Prisoner Transportation between Yonkers and the Westchester County Jail for the term commencing January 1, 2016 and terminating December 31, 2017 in the total amount of \$775,602.

On April 4, 2016 the Westchester County Board of Legislators adopted Act No. 2016 - 37 authorizing the County to enter into an intermunicipal agreement with the City of Yonkers ("Yonkers") for the term January 1, 2016 through December 31, 2017, whereby Yonkers will provide round trip transportation for prisoners between Yonkers and the Westchester County Jail located in Valhalla, New York. The annual cost to the County for this agreement will be \$382,070 in 2016 and \$393,532 in 2017, payable each year in twelve equal monthly installments. The total flat fee for prisoner transportation services for the two-year term of the agreement is \$775,602 and includes all related expenses, such as mileage, prisoner meals, and personnel.

The public purpose of the proposed agreement is for the County to carry out its duty to transport arraigned prisoners between local courts and the County Jail in order to make mandatory court appearances in a cost effective manner. The goal of maintaining the safety of the public and prisoners while prisoners are transported to and from the County Jail will be tracked and monitored by the Department of Correction through booking records and monthly invoices.

This agreement is exempt from procurement pursuant to §3(a)(iii) of the County Procurement Policy.

The approval of this contract will assure the public safety of County residents and will permit the transportation of prisoners which the County is required to provide pursuant to Section 500-c and 500-d of the Correction Law, at the best rate possible. If this Agreement is not authorized, the County will be required to provide transportation to all prisoners remanded to the County Jail at a greatly increased cost to the taxpayers.

The proposed agreement is in the best interests of the County and is fiscally responsible, because the cost of acquiring appropriate vehicles and assigning required personnel, to provide such prisoner transportation, would far exceed the cost of this agreement.

A resolution for your consideration is annexed hereto which I recommend for your favorable consideration.
