On May 16, 2016, the Westchester County Board of Legislators adopted Act Nos. 151-2016 and 153-2016 which authorized the County to purchase +/- 0.57 acre of real property with an existing single family house, located at 3271 Lincoln Drive, Town of Yorktown (the "Property") in an amount not to exceed \$316,000 which included an amount not to exceed \$6,000 for expected settlement costs, from the current owner(s) of record, and to grant and accept any property rights necessary in connection therewith, and the subsequent conveyance of the Property to an eligible buyer to create an affordable home ownership unit that affirmatively furthers fair housing ("AFFH") as set forth in 42 U.S.C. Section 5304(b)(2) and in accordance with the settlement of a lawsuit titled United States of America ex rel. Anti-Discrimination Center of Metro New York, Inc. v. Westchester County, New York (the "Settlement Agreement"). In addition, on May 16, 2016, the Westchester County Board of Legislators approved Bond Act No. 152-2016 which authorized the issuance of \$380,300 in bonds from Capital Project BPL50 for the acquisition, rehabilitation, settlement, property management, maintenance, utilities, marketing and other carrying costs related to the Property.

Your Honorable Board's authority is now requested to authorize the County to enter into any and all agreements necessary to purchase the Property from the current owner(s) of record in an amount not to exceed \$310,000, plus an additional \$6,000 in expected settlement costs for a total amount not to exceed \$316,000, and to convey the Property to an eligible buyer, in order to create an affordable AFFH homeownership unit that will AFFH (the "Affordable AFFH Unit"). The purchase and conveyance of the Property shall be by such deeds as approved by the County Attorney. By separate resolution, the Department of Public Works and Transportation will seek

your Honorable Board's authority to enter into an agreement in an amount not to exceed \$40,000 for rehabilitation of the Property.

Pursuant to the Settlement Agreement, the County is required to ensure the development of 750 affordable AFFH units. In furtherance of these objectives, the County provides funding to assist in the development or rehabilitation of the affordable AFFH housing unit, including the Affordable AFFH Unit proposed herein. The proposed Affordable AFFH Unit will be located in a census block that conforms to Paragraph 7(a) of the Settlement Agreement.

Immediately after purchase, the County will file a Declaration of Restrictive Covenants against the Property requiring that the Affordable AFFH Unit established thereon will be affordable to households with incomes at or below 80% of the Westchester County Area Median Income, noting that the income limits are subject to change based on the median income levels as established by the U.S. Department of Housing and Urban Development during the period of affordability of the Property, which shall be not less than fifty (50) years. The eligible buyers will be selected pursuant to an approved Affirmative Fair Housing Marketing Plan.

The goal and objective of this purchase and conveyance is to carry out the County's obligations under the Settlement Agreement by ensuring the development of affordable AFFH units in accordance with the terms of the Settlement Agreement. In addition, it will create home ownership opportunities for lower and moderate income individuals and families who may not otherwise be able to afford to purchase a home in Westchester County. The unit will be safe and secure. The Department of Planning staff will monitor the Property to ensure compliance with the ongoing affordability requirements.
