The Westchester County Board of Legislators adopted Act No. 204-2016 and Bond Act No. 203-2016 on June 6, 2016, which authorized the County to purchase a one-bedroom condominium located at 914 Wynnewood Road, Unit No. 2R, Village of Pelham Manor, ("Property") in an amount not-to-exceed \$270,000 plus an additional \$6,000 in settlement costs and \$22,000 in marketing and property management costs while the County holds title from Capital Project BPL50, from the current owner(s) of record and to grant accept any and all property rights in connection therewith, including entering into a Contract of Sale for the Property, and to subsequently convey the Property to an eligible buyer, in order to create an affordable home ownership unit that Affirmatively Furthers Fair Housing ("AFFH") as set forth in 42 U.S.C. Section 5304(b)(2) and in accordance with the settlement of a lawsuit titled United States of America ex rel. Anti-Discrimination Center of Metro New York, Inc. v. Westchester County, New York ("Settlement Agreement"). It should be noted that your Honorable Board approved a resolution on January 12, 2016 authorizing the County to pay Housing Action Council Inc. to provide post-purchase marketing and property management services for properties that have been approved for purchase by the County that will affirmatively further fair housing.

Your Honorable Board's authority is now requested to authorize the County to enter into any and all agreements necessary to purchase the Property from the current owner(s) of record in an amount not-to-exceed \$270,000, plus an additional \$6,000 for expected settlement costs such as title insurance and real estate taxes, for a total amount not-to-exceed \$276,000, and to grant and accept any and all property rights in connection therewith including, but not limited to, entering into a Contract of Sale for the Property and to subsequently convey the Property to an eligible buyer, in order to create an affordable AFFH home ownership unit (the "Affordable AFFH Unit"). The purchase and conveyance of the Property shall be by such deeds as approved by the County Attorney.

Pursuant to the Settlement Agreement, the County is required to ensure the development of 750 affordable AFFH units. In furtherance of these objectives, the County provides funding to assist in the development or rehabilitation of affordable AFFH housing units, including the Affordable AFFH Unit proposed herein. The proposed Affordable AFFH Unit will be located in a census block that conforms to Paragraph 7(a) of the Settlement Agreement.

After purchase, the County will file a Declaration of Restrictive Covenants against the Property requiring that the Affordable AFFH Unit established thereon will be affordable to households with incomes at or below 80% of the Westchester County Area Median Income ("AMI"), noting that the income limits are subject to change based on the median income levels at the time of initial occupancy, and subsequent occupancy, as established by the U.S. Department of Housing and Urban Development during the period of affordability of the Property which shall be not less than fifty (50) years. The eligible buyers will be selected pursuant to an approved Affirmative Fair Housing Marketing Plan.

The goal and objective of this purchase and conveyance is to carry out the County's obligations under the Settlement Agreement by ensuring the development of affordable AFFH Units in accordance with the terms of the Settlement Agreement. In addition, it will create home ownership opportunities for lower and moderate income individuals and families who may not otherwise be able to afford to purchase a home in Westchester County. The unit will be safe and secure. Department of Planning staff will monitor the Property to ensure compliance with the ongoing affordability requirements.

For all the foregoing reasons, we recommend that your Honorable Board approve the attached resolution authorizing the County to enter into any and all agreements necessary to purchase and convey 914 Wynnewood Road, Unit No. 2R, Village of Pelham Manor, to an eligible buyer to create an affordable home ownership unit that will Affirmatively Further Fair Housing.
