

**52563**

To: Board of Acquisition and Contract

From: Thomas J. Lauro, P.E.  
Commissioner of Environmental Facilities

Date: August 12, 2016

Re: Request for **Authority to Solicit Bids by Public Advertisement** for  
Contract No. EF-1611  
Replacement of damaged existing insulation and jacketing on the  
emergency generator exhaust silencer and piping  
Mamaroneck Wastewater Treatment Plant, New York

Attached for your consideration is a resolution, which, if approved by your Honorable Board, would authorize the Department of Environmental Facilities to solicit bids by public advertisement for the above referenced project. The work under this contract consists of providing all necessary labor, materials and equipment required for the replacement of damaged existing insulation and jacketing on the emergency generator exhaust silencer and piping at the Mamaroneck Wastewater Treatment Plant.

This contract is for a scheduled duration of one year.

The goals and objectives of the Contract are to obtain the services of a contractor who has the equipment, manpower and resources available to undertake the work, consisting of the following tasks:

1. Replacement of insulation and aluminum jacketing on the emergency generator exhaust silencer and the piping.
2. The jacketing protects the insulation, and serves to prevent moisture migration and rain water from entering into the pipe surface and to avoid corroding of the pipe and silencer.

DEF personnel will inspect and supervise the work performed by the selected Contractor. Verification by DEF is for payment and tracking purposes only and in no way relieves contractual responsibility from the Contractor for completing the work as described herein. The Contractor will be responsible to comply with all applicable regulations and industry standards.

This Contract is deemed to fulfill a public purpose as the services provided under this Contract protect the building facilities and equipment systems that are operated by DEF personnel and enable the Department to carry out its basic mission to provide wastewater treatment and maintaining satisfactory water quality.

Approval of the attached resolution is respectfully requested.

# RESOLUTION

Upon communication from the Commissioner of Department of Environmental Facilities,

**RESOLVED**, that the Commissioner of Environmental Facilities is hereby authorized to solicit bids by public advertisement for the following Contract:

**CONTRACT NO. EF-1611**

Replacement of damaged existing insulation and jacketing on the  
emergency generator exhaust silencer and piping  
Mamaroneck Wastewater Treatment Plant, New York  
Westchester County, New York

and be it further;

**RESOLVED**, that adequate and sufficient security for the faithful performance of this contract shall be deemed to be receipt of a performance and payment bond in an amount equal to 100% of the total contract amount, and in a form approved by the County Attorney. The Bond Underwriter or Surety must appear on the U.S. Treasury's listing of approved sureties (Department Circular 570) and all Sureties must be licensed to transact business in New York as a surety company; and be it further;

**RESOLVED**, Pursuant to Section 308.01 of the Laws of the County of Westchester, it is the goal of the County to use its best efforts to encourage, promote and increase the participation of business enterprises owned and controlled by persons of color or women - Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) and be it further;

**RESOLVED**, that such advertisement shall appear in the following County newspaper(s):

**THE JOURNAL NEWS (SOUTHERN EDITION)**
