SUBJECT: Resolution authorizing the County of Westchester to enter into an Agreement with the Child Care Council of Westchester, Inc. (“CCCW”) whereby CCCW will provide the services of a Subsidy Support Specialist who will help to identify and assist eligible families with successful navigation through the child care subsidy system for the period from February 1, 2016 through December 31, 2016 in an amount not to exceed \$60,000 to be paid pursuant to an approved budget and subject to appropriation

Authority is requested for the County of Westchester, acting by and through its Department of Social Services, to enter into an Agreement with the Child Care Council of Westchester, Inc. (“CCCW”) whereby CCCW will provide the services of a Subsidy Support Specialist who will help to identify and assist eligible families with successful navigation through the Child Care Subsidy System for the period from February 1, 2016 through December 31, 2016 in an amount not to exceed \$60,000 to be paid pursuant to an approved budget and subject to appropriation.

The services to be provided pursuant to this agreement serve a **public purpose** by providing information and linkage to the eligible families who can take advantage of the existing Child Care Subsidy Support Services to receive quality and safe child care providers, thereby eliminating the impediment to seeking full time employment by this population.

The **goals and objectives** of the proposed agreement are as follows:

- 1) Increase eligible families’ awareness of the Child Care Subsidy Program;
- 2) Assist families in successfully navigating the Child Care Subsidy system;
- 3) Assist with child care/after school programs and providers;

- 4) Increase families' awareness of their child care options and the importance of quality; and
- 5) Assist with communication between the Department of Social Services (DSS) Child Care Subsidy Unit and the child care/after school programs and providers.

The goals and objectives as stated in the resolution will be tracked and monitored to evaluate success through the monitoring of established performance measurement indicators developed by the Department. They include, but not limited to, review of various reports submitted by the Council and on site visits. The authority to exempt this Agreement from the requirements of the Westchester County Procurement Policy and Procedures pursuant to Section 3(a) xxi has been requested through a separate resolution with even date. This contract is not subject to the competitive procurement requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (formerly, the Grants Management Common Rule) as the federal funding for the program falls under the Social Service Block Grant.

Accordingly, the County of Westchester, acting by and through its Department of Social Services, is seeking your Honorable Board's permission to enter into an agreement with the Child Care Council of Westchester, Inc. as stated above.

Approval of the attached Resolution is most respectfully requested.

APPROVED BOARD OF ACQUISITION & CONTRACT - 10/02/2016 JOHN COCCARDI, SECRETARY
