RE: Authorization to Enter into Contract to Accept Continued Funding from the New York State Department of Health for the Infertility Prevention Project (“IPP”) Program Grant as follows:

Contract Period:	1/1/17 – 12/31/21
Contract Amount:	Not-To-Exceed \$164,995

The Westchester County Department of Health requests authorization to enter into contract with the New York State Department of Health (“NYSDOH”) to accept continued funding for the IPP program grant, for the contract period 1/1/17 through 12/31/21, pursuant to an approved budget, in the not-to-exceed amount of \$164,995.

This program will promote the public health and general welfare of County residents by reducing the incidence and spread of the sexually transmitted disease (“std”), Chlamydia, by laboratory testing screening services.

The goal and objective of this program is to significantly reduce the incidence of Chlamydia related illness among all age groups throughout the County by providing laboratory testing, specifically through the use of nucleic acid amplification test kits recommended by the Centers for Disease Control and the Association of Public Health Laboratories.

This program is tracked and monitored by using the required information/forms to record the case management and investigations of confirmed Chlamydia cases which are electronically entered into NYSDOH’s Health Information Network (HIN). Completion of partner investigations, evaluation, treatment and final disposition of cases reported are also prepared by WCDH staff and sent on a quarterly basis to the NYSDOH.

The agreement requires the County to indemnify the New York State Department of Health as follows:

The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

I certify that my department, a.) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the “Grant Terms”), b.) has reviewed the Grant Terms, c.) is aware of and understands all of the Grant Terms, and d.) can and will comply with all of the Grant Terms.
