SUBJECT: Resolution authorizing the County of Westchester to enter into any and all agreements necessary to purchase a +/-0.45 acre parcel of real property improved with a single-family house at 2906 Old Yorktown Road, Town of Yorktown, from the current owner(s) of record and to subsequently convey the Property to an eligible buyer to create one affordable homeownership unit that will affirmatively further fair housing

On October 17, 2016, the Westchester County Board of Legislators adopted Act No. 315-2016 which authorized the County to purchase a +/-0.45 acre parcel of real property developed with a single-family house at 2906 Old Yorktown Road, Town of Yorktown, (the "Property") in an amount not-to-exceed \$250,000 plus an additional amount not-to-exceed \$6,000 for settlement costs from Capital Project BPL50 from the current owner(s) of record, and to grant and accept any property rights necessary in connection therewith, including entering into an assignment of the contract of sale or a contract of sale for the Property and the subsequent conveyance of the Property to an eligible buyer to create one affordable homeownership unit that affirmatively furthers fair housing ("AFFH") as set forth in 42 U.S.C. Section 5304(b)(2) and in accordance with the settlement of a lawsuit titled United States of America ex rel. Anti-Discrimination Center of Metro New York, Inc. v. Westchester County, New York ("Settlement Agreement").

In addition, on October 17, 2016, the Westchester County Board of Legislators approved Bond Act No. 314-2016 which authorized the issuance of up to \$460,000 in bonds from Capital Project BPL50 to purchase the Property, including an amount not to exceed \$256,000 for acquisition and settlement, \$180,000 for rehabilitation and \$24,000 for marketing and property management costs while the County holds title. The Westchester County Board of Legislators also adopted Act No. 313-2016 which amended the Capital Budget appropriation by increasing the amount authorized by \$250,000 to Capital Project BPL50. It should be noted that your Honorable Board approved a resolution on January 12, 2016 authorizing the County to pay Housing Action Council Inc. for marketing and property management services for properties that have been approved for purchase by the County that will AFFH.

Your Honorable Board's authority is now requested to authorize the County to enter into any and all agreements necessary to purchase the Property from the current owner(s) of record in an amount not-to-exceed \$250,000, plus an additional \$6,000 in expected settlement costs to cover various costs such as title insurance and real estate taxes, for a total amount not-to-exceed \$256,000, to grant and accept any property rights necessary in connection therewith including but not limited to accepting an assignment of a contract of sale for the Property from Housing Action Council, Inc. with the current owner of record and to convey the Property to an eligible buyer, in order to create one affordable AFFH homeownership unit ("the affordable AFFH Unit"). The purchase and conveyance of the Property shall be by such deeds as approved by the County Attorney. By separate resolution, the Department of Public Works and Transportation will seek your Honorable Board's authority to enter into an agreement(s) in an amount not-to-exceed \$180,000 for rehabilitation of the Property.

Pursuant to the Settlement Agreement, the County is required to ensure the development of 750 affordable AFFH units. In furtherance of these objectives, the County provides funding to assist in the development or rehabilitation of affordable AFFH housing units, including the affordable AFFH Unit proposed herein. The proposed affordable AFFH Unit will be located in a census block that conforms to Paragraph 7(a) of the Settlement Agreement.

After purchase, the County will file a Declaration of Restrictive Covenants against the Property requiring that the affordable AFFH Unit established thereon will be affordable to households with incomes at or below 80% of the Westchester County Area Median Income, noting that the income limits are subject to change based on the median income levels as established by the U.S. Department of Housing and Urban Development during the period of affordability of the Property, which shall be not less than fifty (50) years. The eligible buyers will be selected pursuant to an approved Affirmative Fair Housing Marketing Plan.

The goal and objective of this purchase and conveyance is to carry out the County's obligations under the Settlement Agreement by creating one affordable AFFH Unit in accordance with the terms of the Settlement Agreement. In addition, it will create home ownership opportunities for lower and moderate income individuals and families who may not otherwise be able to afford to purchase a home in Westchester County. The unit will be safe and secure. Department of Planning staff will monitor the Property to ensure compliance with the ongoing affordability requirements.
