Re: Authority to enter into affiliation agreements for the provision of supervised laboratory/clinical education and instruction for students attending Westchester Community College.

---

Westchester Community College (the "College") offers a number of programs in the healthcare and health science fields. As part of these programs, the College, in conjunction with various organizations, offers supervised laboratory/clinical education and instruction for College students who are pursuing a degree or certificate. Attached is a resolution that would authorize the College to enter into agreements with the following organizations for the provision of supervised laboratory/clinical education and instruction:

- Montefiore New Rochelle Hospital
- Athletes Warehouse
- Westchester County Health Care Corporation
- Grand Canyon Education, Inc.
- Maria Briones, M.C. P.C.

The term of the agreements shall be from January 1, 2017 to December 31, 2021. There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
