RE: Authority to enter into an agreement with AnyTransactions, Inc., pursuant to which it will provide the County with its AnyTrax self-reporting product, for the period from January 1, 2017 through December 31, 2017.

Authority is hereby requested from your Honorable Board for the County of Westchester (the "County") to enter into an agreement with AnyTransactions, Inc. ("AnyTransactions"), pursuant to which AnyTransactions will provide the County with its AnyTrax self-reporting product ("AnyTrax SR"), for the period from January 1, 2017 through December 31, 2017, for an amount not-to-exceed \$30,000.00, pursuant to an approved budget (the "Agreement").

The proposed Agreement will serve a public purpose by enabling the Department of Probation to use remote supervision and interviews of low-risk probationers, thereby freeing up staff time to concentrate on higher risk clients.

The goal and objective of the proposed Agreement is to enable the Department of Probation to use remote supervision and interviews of low-risk probationers, thereby freeing up staff time to concentrate on higher risk clients.

The goal and objective of the proposed Agreement is in the best interests of the County in terms of fiscal responsibility, as efficiently holding low-risk probationers accountable to the requirements of their probation sentences enables the administrative caseload unit to utilize three probation officers instead of five. The goal and objective of the proposed Agreement is also in

Administrative Office

the best interests of the County in terms of public safety, as it will enable the Department of Probation concentrate supervision resources on high risk clients who exhibit both a greater potential for violating their terms of probation and a greater probability for committing more dangerous or damaging offenses when resuming illegal activity than those in the administrative caseload unit.

The goal and objective of the proposed Agreement will be tracked and monitored by the staff of the Department of Probation by reviewing probationer compliance through the AnyTrax monitoring system and through quarterly reports that will document the number of cases set up on and removed from the system, the number of “exceptions” (i.e., responses that prompt follow-up by probation officers), instances of equipment malfunction or user difficulty operating the system and the responsiveness of AnyTransactions to resolve the technical problems reported.

Authority to exempt the proposed agreement from the requirements of the Westchester County Procurement Policy, pursuant to Section 3(a)(xxi) thereof, has been submitted to your Honorable Board in accordance with a separate resolution of even date herewith.
