SUBJECT: Resolution authorizing the County of Westchester to enter into an agreement with the Y.W.C.A. of Yonkers, Inc. to provide permanent supportive housing for no fewer than 18 single homeless women at a facility known as the Y.W.C.A. of Yonkers located at 87 South Broadway, Yonkers, New York for the period from January 1, 2017 through December 31, 2017 for an amount not to exceed \$100,000 to be paid monthly pursuant to an approved budget and subject to appropriation

The County of Westchester requests authorization to enter into an agreement with the Y.W.C.A. of Yonkers, Inc. to provide permanent supportive housing for no fewer than 18 single homeless women at a facility known as the Y.W.C.A. of Yonkers located at 87 South Broadway, Yonkers, New York for the period from January 1, 2017 through December 31, 2017 for an amount not to exceed \$100,000 to be paid monthly pursuant to an approved budget and subject to appropriation.

The services to be provided pursuant to the proposed agreement serve a **public purpose** by assisting the County to provide permanent supportive housing to eligible homeless women. These services are aimed at improving the quality of life for the homeless population in the County by assisting the population served in achieving a successful transition from welfare to self-sufficiency and economic independence while providing them with shelter and supportive services.

The **goals and objectives** of the proposed agreement are to provide permanent supportive housing to homeless women.

The **goals and objectives** of the proposed Agreement are in the **best interests of the County in terms of public health and public safety** as the Y.W.C.A. shall provide permanent housing and supportive services for the participants to increase their success in maintaining permanent housing as they transition from welfare to self-sufficiency and economic independence. The program will provide life skills workshops and referrals to programs to address medical and mental health issues. The program provides a safe haven for the targeted population and reduces the risk of them

becoming victims of crime and developing general health related issues that result from inadequate housing.

The goals and objectives are in the County's **best interests in terms of fiscal responsibility** as the services provided assist single women in finding permanent housing, thereby decreasing the cost associated with providing emergency housing. Additionally, program participants, through referrals to employment services, may become gainfully employed, thereby reducing their dependency on public assistance.

The goals and objectives will be tracked and monitored through performance measurement indicators developed by the Department. The agency submits monthly statistics and quarterly reports. The agency also contacts the DSS staff directly to address any impediments to the program's success.

This contract is exempt from the Westchester County Procurement Policy under Section 3(a) (xiv). This contract is not subject to the competitive procurement requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (formerly, the Grants Management Common Rule) as there is no federal funding for this program.

Therefore, the County of Westchester is hereby requesting permission to enter into an agreement with the Y.W.C.A. of Yonkers, Inc. for the aforesaid purpose.

A resolution requesting the same is attached for your Honorable Board's approval.
