**TO:** Board of Acquisition and Contract

**FROM:** Thomas J. Lauro, P.E.  
Commissioner of Environmental Facilities

**DATE:** January 11, 2017

**RE:** Second Amendment to Contract No. **EF-1511**  
Authorization to extend the term of Agreement between the County of Westchester and Mace Contracting Corporation until May 31, 2017 at no additional cost.

---

On December 7, 2015, Contract No. EF-1511 was executed between the County of Westchester and, Mace Contracting Corporation (“Mace”) for the modifications to the south control structure at the Yonkers Joint Wastewater Treatment Plant, Westchester County, New York, in the amount of \$183,000.00. The contract duration was originally for a term of six (6) months, ending on June 10, 2016 and then extended to November 30, 2016 under the first contract amendment.

The County has been satisfied with the quality of services provided to date. An extension of time is being requested because some of the remaining work which will be required to have an outside temperature warmer than the current winter weather for curing and joining plastic piping.

The attached Resolution for Amendment No. 2 has been prepared to extend the contract end date and will provide the Contractor additional time to complete all the contract work.

The attached resolution is requesting for an extension of the agreement until May 31, 2017, with no increase in the not to exceed amount of \$183,000.00. The time extension is requested, for the provision of completing all the required contract work including to provide with the operation manuals in connection with the modifications to the South Control Structure with no additional cost.

The intent of this amendment is to allow the Contractor sufficient time to complete the entire scope of contract work. Department representatives will continue to track and monitor the Contractor’s work and verify the work is in accordance with the contract documents. This Contract is deemed to fulfill a public purpose as the services provided under this Contract protect the building and facilities owned by the Department of Environmental Facilities and enable the Department to carry out its basic mission to provide wastewater treatment and maintain satisfactory water quality.

Approval by the Board of Acquisition and Contract is respectfully requested.
