FROM: George N. Longworth, Commissioner, Sheriff
Department of Public Safety

RE: Resolution authorizing the County of Westchester to enter into an agreement with North Westchester Veterinary Office commencing on March 1, 2017, and terminating on February 29, 2020, for an amount not to exceed \$98,000 payable at the rates for service in effect at the time services are delivered.

Authority is sought for the County of Westchester to enter into an agreement for care of the Department of Public Safety's canines with North Westchester Veterinary Office commencing on March 1, 2017, and terminating on February 29, 2020 for an amount not to exceed \$98,000 payable at the rates for service in effect at the time services are delivered. In the event that North Westchester Veterinary Office changes its rates, North Westchester Veterinary Office shall immediately provide the County with an updated rate schedule prior to performing any additional services.

The public purpose of this agreement is to establish veterinary care for the department's police canines. These canines provide scent detection for explosives and narcotics, tracking capabilities for search and rescue, and apprehension capabilities for patrol services. Currently the department has twelve (12) police canines that are trained and certified according to various state and federal standards.

The goals and objectives of this program are to provide primary veterinary care for the department's six (6) explosive detection canines, two (2) narcotic detection canines, two (2) tracking canines, one (1) arson canine and one (1) patrol canine that are assigned to the Department.

The goals and objectives of this program will support the public safety and/or welfare by maintaining the health of the department's special operations and patrol canines thus allowing them to provide support services in those specific fields as necessary.

The goals and objectives of this program will be tracked and monitored by the Commanding Officer of the Special Operations Division.

The agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3 (a) viii thereof.

Wherefore, authority is respectfully sought for the County of Westchester to enter into this agreement.
