TO: Honorable Members of the Board of Acquisition and Contract

FROM: Honorable Robert P. Astorino
Westchester County Executive

Hon. Michael B. Kaplowitz, Chairman
Westchester County Board of Legislators

Robin Schlaff
Director, Office for Women

DATE: February 14, 2017

SUBJECT: Authority to enter into an agreement with My Sisters' Place, Inc. to provide case management services and on-site temporary child care through its Tot Drop Program, for an amount not-to-exceed \$77,250, for a term commencing January 1, 2017 and continuing through December 31, 2017

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through its Office for Women, (the "County") to enter into an agreement (the "Agreement") with My Sisters' Place, Inc. ("My Sisters' Place"), for an amount not-to-exceed \$77,250, to be paid quarterly pursuant to an approved budget, for a term commencing on January 1, 2017 and continuing through December 31, 2017, to provide:

- case management services for counseling programs serving victims of domestic violence, community training for service providers and healthcare workers, and outreach programs; and
- on-site temporary child care through its Tot Drop Program for children whose mothers/ caretakers are accessing non-residential domestic violence services (such as counseling, advocacy, legal services, and group support) in its White Plains and Yonkers offices.

The proposed Agreement will serve a public purpose by supporting state-mandated non-residential domestic violence services for victims of abuse. Non-residential domestic violence services enable victims to become safe and independent and to avoid returning to their abusers or becoming dependent on public assistance. In addition, those abused by a partner often spend their time having to watch and/or care for their children while obtaining these services. Children not having to be in their mothers' counseling sessions and thereby reliving trauma and being privy to information they should not need to be exposed to positively impacts the children's mental health.

The goals and objectives of the proposed Agreement are for My Sisters' Place to provide case management services for residential and non-residential domestic violence programs, and overall management of program statistics and evaluation, contract development and reporting, program development and ensuring compliance with performance measures, and child care services to approximately 35 children per month through its Tot Drop Program. During the previous contract term, the Program averaged 32 children per month. In addition, the following outcomes were achieved:

- 100% of clients reported that they were satisfied with the quality of care received;
- 100% of clients reported that stated availability of childcare services had a positive impact on their lives in that it enabled them to receive confidential services; and
- 100% of clients reported that they were satisfied that child(ren) had the opportunity to be in a safe, enriched environment.

The goals and objectives of the proposed Agreement will be tracked and monitored by the Office for Women.

The procurement for case management services is exempt from the requirements the Westchester County Procurement Policy pursuant to Section 3(a)(viii) thereof, which exempts contracts with agencies engaging healthcare workers.

The procurement for child care services is exempt from the requirements of the Westchester County Procurement Policy pursuant to Section 3(a)(xviii) thereof, which exempts contracts for the advancement of the moral, physical, mental and social well-being of the youth of Westchester County.

Please be advised that Section 459-c of the New York Social Services Law directs social services districts, such as the County, to offer and provide non-residential services to victims of domestic violence, whether eligible or ineligible for public assistance. Non-residential services programs must have the ability to provide the following services:

- 1.) Information and Referral services;
- 2.) Advocacy;
- 3.) Counseling;
- 4.) Community education and outreach activities; and
- 5.) Hotline services.

Attached for your consideration is a proposed resolution.
