Re: Resolution to enter into an agreement with DCA Consulting Services, LLC commencing on April 1, 2017 for the provision of polygraph services to the Department of Probation's Sex Offender Unit in an amount not-to exceed \$30,000.00.

The Department of Probation (the "Department") requires polygraph testing services as part of the containment approach utilized by the Sex Offender Unit for the treatment/supervision of sex offenders sentenced to probation. In accordance with the County's Procurement Policy, the Department of Probation solicited proposals via a Request for Proposal resulting in receipt of two proposals for the contract as follows: Vescio Family Advisors, LLC and DCA Consulting Services LLC. The winning proposal was established with respect to criteria which included appropriate training in general polygraph testing, training in Post-Conviction Sex Offender Testing (PCSOT), experience in the field of polygraph testing with a special emphasis on PCSOT, availability of the examiner, fee structure and performance in the interview process. Following interviews of the bidders, performed by a four person committee, results of the criteria were tabulated and it was decided that the winning bid was DCA Consulting Services, LLC. Based on the information gleaned from the process, the Department recommends contracting with DCA Consulting Services LLC for these services as it would be in the best interests of the County. The objective of this contract is to provide an additional treatment and supervision tool in monitoring adult sex offenders. The Department will monitor the performance of DCA Consulting Services LLC to ensure compliance with the contract terms.

Approval of the attached resolution is respectfully requested.
