FROM: Kevin M. McGuire
Commissioner

SUBJECT: Authority for the County of Westchester to exercise the first of its three (3) renewal options under an agreement with Westhab, Inc. ("Westhab"), as previously amended, pursuant to which Westhab agreed to provide Job Development Services to adult recipients of Temporary Assistance, as well as assist the County in conducting a Job Search Assistance Strategies Evaluation ("JSA") study, by extending the term of the contract for one (1) additional year from April 1, 2017 through March 31, 2018 for a total aggregate amount not to exceed \$1,097,200, payable pursuant to an approved budget and subject to appropriation.

Pursuant to an RFP issued by the Department on February 4, 2016 and a Resolution approved by your Honorable Board on April 7, 2016 (the "April 7th Resolution"), your Honorable Board authorized the County of Westchester (the "County"), acting by and through its Department of Social Services, Office of Work Activities (the "Department") to enter into an agreement with Westhab pursuant to which Westhab would provide Job Development Services to adult recipients (age 19 and over) of Temporary Assistance ("TA"), for the period from April 1, 2016 through March 31, 2017 for a total amount not to exceed \$1,097,200, comprised of an amount not-to-exceed \$997,200 payable monthly in accordance with an approved budget and an amount not-to-exceed \$100,000, payable at an approved rate upon the Contractor achieving certain job retention milestones and subject to appropriation (the "Agreement"). The April 7th resolution further provided that the County, at its sole option, could renew the Agreement for up to three (3) additional one (1) year periods on the same terms and conditions, including pricing, as the initial term, subject to the further approval of your Honorable Board. The Agreement was subsequently executed.

Thereafter by resolution approved on August 25, 2016 (the “August 25th Resolution”), your Honorable Board authorized the County, *inter alia*, to amend the Agreement with Westhab in order to 1) expand the scope of services thereunder to include providing assistance to the County with the JSA study, effective September 1, 2016; and 2) require Westhab to comply with certain confidentiality requirements in connection with the services it would be providing under the JSA study (the “First Amendment”). The First Amendment was subsequently executed.

The County now seeks authority to exercise the first of its three (3) options to renew the Agreement with Westhab, as previously amended, for the period from April 1, 2017 through March 31, 2018. Accordingly, authority is respectfully requested for the County to exercise its first option to renew the Agreement with Westhab for the provision of Job Development Services to adult recipients of Temporary Assistance, as well as assist the County in conducting the JSA study, by extending the term thereof for one (1) additional year commencing on April 1, 2017 and continuing through March 31, 2018. In consideration for services to be rendered during the renewal term, the County shall pay Westhab a total aggregate amount not to exceed \$1,097,200, comprised of an amount not-to-exceed \$997,200 payable monthly in accordance with an approved budget and an amount not-to-exceed \$100,000, payable at an approved rate upon Westhab achieving certain job retention milestones and subject to appropriation.

It should be noted that the County, acting by and through the Department, and in accordance with the applicable Federal regulations, performed a cost analysis of the costs for the County’s first option under the Agreement. After analyzing current marketplace costs for such services, the Department concluded that the costs of the option are reasonable and it is, therefore, economically prudent to exercise the County’s option under the Agreement in order to obtain these services for the period from April 1, 2017 through March 31, 2018.

Except as otherwise specifically amended hereby, all other terms and conditions of the Agreement, as previously amended, shall remain in full force and effect upon the parties.

The Agreement will serve a public purpose by helping Temporary Assistance recipients gain employment and ultimately achieve self-sufficiency. The proposed agreement will also assist the Department in placing customers in unsubsidized employment which will eliminate their need for assistance, thereby saving County funds.

The goals and objectives of this program are to improve the job placement rate and long term labor market prospects of adult TA recipients by providing customers with intensive job readiness, work experience, and job placement/retention services. The ultimate goal is for the customer to achieve self-sufficiency and freedom from welfare dependency.

The goals and objectives are in the best interest of the County in terms of fiscal responsibility in that the cultivation of these goals and objectives will result in an effective planning approach for adult TA recipients with the potential to achieve self sufficiency through a work activity appropriate to their specific circumstance and needs.

The goals and objectives will be tracked and monitored using the performance measurement indicators developed by the Department. The consultant is required to submit to the Department statistical reports on all activities related to the program..

Accordingly, I most respectfully recommend the adoption of the annexed Resolution.
