SUBJECT: Resolution authorizing the County of Westchester to amend and extend an agreement with The Sharing Community, Inc. to operate an overnight warming site/drop-in center at a facility known as the **Broadway Manor Emergency Shelter** located at 101 North Broadway, Yonkers, New York for the period January 1, 2017 through June 30, 2017 for an amount not to exceed \$186,840 by extending the end date of the agreement to September 30, 2017 and increasing the not to exceed amount by \$80,879 from an amount not to exceed \$186,840 to a new total not to exceed \$267,719 to be paid monthly pursuant to an approved budget and subject to appropriation

Through a Resolution approved on January 19, 2017, your Honorable Board authorized the County of Westchester to enter into an agreement with The Sharing Community, Inc. to operate an overnight warming site/drop-in center at a facility known as the **Broadway Manor Emergency Shelter** located at 101 North Broadway, Yonkers, New York for the period from January 1, 2017 through June 30, 2017 for an amount not to exceed \$186,840 to be paid monthly pursuant to an approved budget and subject to appropriation. The agreement was subsequently executed. The agreement was executed only for six (6) months as the Department anticipated working on a Request for Proposal (“RFP”) to procure this service within that time. Due to program and budget related reasons, the Department was not able to complete the RFP process as anticipated. Therefore, the County, acting by and through its Department of Social Services, is requesting your Honorable Board’s approval to amend and extend the aforesaid agreement for three months to end on September 30, 2017 and by increasing the not to exceed amount by

\$80,879 from an amount not to exceed \$186,840 to a new total not to exceed \$267,719 to be paid pursuant to an approved budget and subject to appropriation. The Department expects to complete the RFP process within the extended time.

The **public purpose** of the proposed agreement is to provide a safe, warm, supervised place for homeless individuals who are outside the shelter system of Westchester County to sleep at night, off the street and out of the weather. In addition to this impact on the individuals, this also benefits the public good as without the presence of the overnight warming site/drop-in center, these people would likely be seeking out public places to sleep and/or escape from the elements. The presence of overnight warming site/drop-in center provides a referral option for local officials and members of the community that is more humane and less costly than trying to use jail or other alternatives to remove the homeless from public places.

The **goals and objectives** of the program are to provide an overnight warming site/drop-in center for homeless individuals.

The goals and objectives of this program are in **the best interests of the County in terms of public health and public safety** as they are aimed at ensuring the health and safety of the targeted population by providing a safe, warm, supervised warming site/drop-in center.

The goals and objectives are in the **best interests** of the County in terms of fiscal responsibility as they will ensure the health and safety of customers by providing shelter to persons who would otherwise be on the street, thereby reducing the risk of crime and reducing dependence on public assistance.

The goals and objectives will be tracked and monitored through performance measurement indicators developed by the Department. The tracking and monitoring tools include the submission of monthly statistics and quarterly reports as well as direct contact with the Department's staff in order to swiftly address any impediments to the program's success. The Department is able to report that from January through June of 2017, three hundred and sixty-two (362) individuals received emergency overnight homeless shelter services through this program.

Except as specifically amended hereby, all other terms and conditions of the original agreement shall remain in full force and effect.

Accordingly, the County of Westchester is hereby requesting permission to amend and extend the agreement with The Sharing Community, Inc. for the above said purpose.

An appropriate resolution is attached for your Honorable Board's approval.
