Re: Authority for the County of Westchester to enter into an agreement with the Southern Westchester Board of Cooperative Educational Services for co-sponsorship of adult and continuing education programs for the period September 1, 2017 through August 31, 2018.

For many years now the County, acting by and through the Westchester Community College (the "College"), has entered into agreements with the Southern Westchester Board of Cooperative Educational Services ("Southern BOCES") whereby the College and Southern BOCES would develop and implement adult and continuing education programs that are offered to the general public. These programs have been very successful and have and have assisted the College in fulfilling its function of expanding access to educational opportunity. The last agreement expired on August 31, 2017.

Authority is requested to authorize the College to enter into a new agreement with Southern BOCES for period September 1, 2017 through August 31, 2018 in an amount not to exceed \$1,566,995.00, pursuant to an approved budget.

The College has statutory authority to enter into this Agreement pursuant to New York State Education Law section 6306(8), which states "Subject to the approval of the local sponsor ... the board of trustees of each community college may participate in cooperative educational programs, services and arrangements with ... boards of cooperative educational services". Accordingly, approval of the Board of Legislators under GML Section 119-o is not required.

Pursuant to the terms of the Agreement, the College will furnish administrative and financial support and Southern BOCES will furnish registration services, course announcements, teaching and other personnel together with classroom space, tuition collection and deposit services and on-site management services for the co-sponsored programs.

The Agreement is exempt from the procurement policy pursuant to Section 3(a)(iii) thereof.

This contract will enable the College to continue its mission of providing life-long learning for the residents of Westchester County. The contract performance is monitored by the College Office of Institutional Research to ensure that contractual obligations are met by Southern BOCES.

Accordingly, I recommend adoption of the attached resolution.
