FROM: Mae Carpenter, Commissioner
Department of Senior Programs and Services

RE: Request for authority for the County of Westchester to amend an agreement with the Westchester Jewish Community Services, Inc. in order to exercise the third of its three (3) options to renew the Agreement to provide the Case Management – Geriatric Program, and Information, and Assistance Services to frail, needy and low-income elderly seniors, under the Community Services for the Elderly Act in an amount not to exceed \$40,375 in State funds, for the program period April 1, 2018 to March 31, 2019.

By resolution approved on April 16, 2015 (the “April 16th Resolution”), your Honorable Board authorized the County of Westchester (the “County”), acting by and through its Department of Senior Programs and Services (the “Department”), to enter into an agreement (the “Agreement”) with Westchester Jewish Community Services, Inc. (the “Contractor”) to provide the Case Management – Geriatric Program, and Information and Assistance services (the “Programs”) to frail, needy and low-income elderly seniors under the Community Services for the Elderly Act in an amount not to exceed \$40,375 in State funds, for the program period April 1, 2015 to March 31, 2016, payable based on the agreed upon unit costs for actual services rendered and data-entered in the Social Assistance Management System (“SAMS”) up to the not to exceed amount of the Agreement. The April 16th Resolution also authorized that the County at its sole option could renew the Agreement for up to three (3) additional one-year periods, subject to the prior approval of your Honorable Board. The Agreement with the Contractor was subsequently executed.

Thereafter, by resolution approved on June 23, 2016, your Honorable Board, *inter-alia*, authorized the County to amend the Agreement with the Contractor in order to exercise its first renewal option for provision of the Program, for the program period commencing on April 1, 2016 and continuing through March 31, 2017 at the same funding amount as the initial Agreement (the “First Amendment”). The First Amendment was subsequently executed.

Thereafter, by resolution approved on May 25, 2017, your Honorable Board authorized the County to amend the Agreement with the Contractor in order to exercise its second renewal option for provision of the Program, for the program period commencing on April 1, 2017 and continuing through March 31, 2018 at the same funding amount (the “Second Amendment”). The Second Amendment was subsequently executed.

The County now seeks the approval of your Honorable Board to amend the agreement with the Contractor in order to exercise the third of three (3) renewal options under the Agreement for the provision of the Program, for the program period commencing on April 1, 2018 and continuing through March 31, 2019 (the “Third Amendment”).

For the 2017 year, a total of 730 Case Management hours of service were provided to approximately 29 seniors, and a total of 850 Information and Assistance service contacts were made with approximately 106 seniors.

Except as specifically amended as described herein, all other terms and conditions set forth in the Agreement shall remain in full force and effect.

The proposed agreement is exempt from application of the Westchester County Procurement Policy and Procedures pursuant to (a) (xix) thereof.

Accordingly, I recommend adoption of the proposed resolution.
