Acceptance of this grant will provide funds to eliminate or reduce the need of for ex-offenders without domicile to receive Temporary Housing Assistance in Westchester County. The Prisoner Re-entry Pilot Program objectives are to:

- Assist former prisoners just released from jail to obtain permanent housing;
- Begin the Temporary Assistance application process prior to release whenever possible;

The proposed grant agreement with the State of New York is not a procurement therefore the provisions of the Westchester County Procurement Policy do not apply.

The proposed grant agreement will serve a **public purpose** by providing funds to assist recently released former prisoners in obtaining permanent housing and avoiding shelter placements for this population as well as services to support their re-entry into society.
