Re: Resolution authorizing Westchester Community College to amend an agreement with Whatcom Community College to accept funding in connection with Westchester Community College's application with the National Security Agency for its "Center of Academic Excellence - Cyber Defense Designation" in order to extend the termination date from January 15, 2019 to May 1, 2019.

---

On April 26, 2018, your Honorable Board authorized the County of Westchester acting by and through Westchester Community College (the "College") to enter into an agreement with Whatcom Community College in order to accept funding to support Westchester Community College's application with the National Security Agency for its "Center of Academic Excellence - Cyber Defense Designation" for the period of November 1, 2017 through January 15, 2019, in an amount not to exceed \$5,000. The Agreement was subsequently signed.

Authority is now hereby respectfully requested to amend the agreement in order to extend the termination date from January 15, 2019 to May 1, 2019, since the College has not yet accepted all funding due to unexpected delays. All other terms and conditions of the agreement shall remain unchanged.

The grant agreement and this proposed amendment will support the College in its attempt to successfully complete its application for the CAE2Y (Center of Academic Excellence) designation with the National Security Agency through the Application Assistance Program.

Accordingly, approval of the annexed proposed Resolution is requested.
