Re: **Resolution to exempt from the Westchester County Procurement Policy the procurement of an Agreement with Ralph Butler, P.E. to provide consulting services related to the County's capital program pursuant to Section 3(a)xxi of the Westchester County Procurement Policy.**

Authority is hereby requested from your Honorable Board to exempt from the Westchester County Procurement Policy the procurement of an agreement with Ralph Butler, P.E., to provide consulting services related to the County's capital program, including, but not limited to: review of 1920s, priority rankings, Planning Board report and status report of the existing program; review all related documents to support the capital program, such as the departments' operating budgets, Facility Asset Management reports and budget estimates; prepare written reports, as required; and provide Project Performance Measures report with each requisition submission.

The term of the Agreement will commence on January 1, 2019 and expire on December 31, 2019. In consideration for services rendered, Mr. Butler shall be paid at the rate of \$80.00 per hour, not-to-exceed Seventy Thousand (\$70,000.00) Dollars.

As you are aware, Mr. Butler previously served as the County's Commissioner of Public Works and has been an invaluable resource to the County for many years, providing tremendous insight on a variety of critical programs, including those listed above. Mr. Butler's experience and institutional knowledge with respect to these matters makes him a unique resource. This contract will enable the County to promote sound fiscal practice and will ensure that the County has the necessary expertise to effectively carry out its oversight function in connection with the completion of these and other matters.

Pursuant to Section 3(a)xxi, the Westchester County Procurement Policy is not applicable to any procurement for which this Honorable Board determines, by resolution passed prior to commencing such procurement, that compliance with the policy would not be in the best interests of the County. Based upon the foregoing, it is proposed that the best interests of the County would be served by exempting this agreement from the procedures of the County's Procurement Policy. A resolution to exempt this agreement from procurement is hereby submitted for your consideration.
