Commissioner of Correction

RE: Authority to exercise an option to renew an Agreement with the Westchester County Health Care Corporation (“WCHCC”) for a term commencing January 1, 2019 through December 31, 2019, whereby WCHCC will provide, through its Occupational Health Center, medical consulting services in an amount not to exceed Thirty Thousand Dollars (\$30,000.00) per year at the rates set forth in Schedule "A".

On February 22, 2016, the Westchester County Board of Legislators adopted Act No. 2016-8, authorizing the County to enter into an agreement with WCHCC, whereby WCHCC would provide, through its Occupational Health Center, medical consulting services necessary for satisfactory implementation of the Uniform Attendance Standards of the Department of Correction, including, without limitation, reviewing the medical status of employees to determine fitness for duty (“Medical Consulting Services”).

By resolution approved on May 5, 2016 (the “May 6th Resolution”), your Honorable Board authorized the County to enter an agreement with WCHCC to provide Medical Consulting Services for a term commencing January 1, 2016 through December 31, 2018, in an amount not to exceed Thirty Thousand Dollars (\$30,000.00) per year pursuant to approved rates, for an amount not to exceed Ninety Thousand Dollars (\$90,000.00) (the “Agreement”). The County has an option to renew the Agreement for two (2) additional one-year periods, upon notice to WCHCC, in the annual not to exceed amount of Thirty Thousand Dollars (\$30,000) payable pursuant to Schedule A. The rates to be paid by the County will be capped at a 4% increase over what the County paid for the same services in the previous year. The Agreement was subsequently executed.

The County desires to exercise the first of its two options to renew the Agreement for the period commencing January 1, 2019 and terminating December 31, 2019, in an amount not to exceed Thirty Thousand Dollars (\$30,000) pursuant to the rates set forth in Schedule “A”. The rates to be paid by the County will be capped at a 4% increase over what the County paid for the same services in the previous year.

The proposed agreement serves the public interest by better enforcement and control of the Department of Correction's Uniform Attendance Standards. The goals and objectives are to maximize correctional security and employee safety, and reduce overtime costs by utilizing an independent medical facility to review the medical status of Correction Officers to determine their fitness for duty. The program will be tracked and monitored by the Department.

A Resolution for your consideration is annexed hereto. I recommend your favorable consideration of the annexed proposed Resolution.
