SUBJECT: Resolution authorizing the purchase of a Business Auto Insurance Policy for the “Small Bus” and Paratransit Fleets in the amount of \$444,300.31. This insurance is placed with the New York Municipal Insurance Reciprocal (“NYMIR”) through the Spain Agency, 625 Rt. 6, Mahopac, New York for the period August 22, 2019 through August 22, 2020.

On August 2, 2018, your Honorable Board approved the purchase of Business Auto Insurance for the “Small Bus” and Paratransit Fleets (collectively the “Fleet”) for the policy period August 22, 2018 through August 22, 2019.

Authority is now requested for the County of Westchester to purchase a Business Auto Insurance Policy for the Fleet from New York Municipal Insurance Reciprocal (“NYMIR”) through the Spain Agency, 625 Rt. 6, Mahopac, NY for the policy period August 22, 2019 through August 22, 2020 in the amount of \$444,300.31.

The purchase of insurance is exempt from the procedures of the County Procurement Policy pursuant to Section 3(a)(v) of said policy. However, in 2016 a broad based market search for this insurance package was conducted and “NYMIR” was chosen as the insurer that addressed the County’s business auto insurance needs at the lowest pricing available, replacing the previous insurer.

This year’s renewal premium in the amount of \$444,300.31 represents approximately a 1% reduction from the 2018-2019 premium paid at inception of \$448,452.31.

The insurance package will provide \$11,000,000.00 of “first dollar” liability coverage, as well as physical damage coverage (subject to a \$2,000.00 deductible for buses and vans and a \$1,000.00 deductible for the Prius vehicles in the fleet); for a total of 112 vehicles comprising the Fleet.

It is anticipated that new vehicles may again be added to the fleet during the policy year. Accordingly, the policy shall be debited at the pro-rated per unit cost as vehicles are added (or credited in the event that a vehicle is deleted).

The goals and objectives of this agreement are to provide insurance coverage for the Fleet. The goals and objectives are in the best interest of the County in terms of fiscal responsibility because the insurance coverage will protect County assets in the event of an accident, thus insuring public service continuity and reducing risk for all parties. Risk Management will track and monitor any reports of incidents and/or accidents occurring over the policy period.

All other terms and conditions of the Business Auto Insurance policy shall remain the same as the expiring program.

Accordingly, your favorable action on the annexed Resolution is recommended.
