

70834

**TO:** Board of Acquisition and Contract

**FROM:** Hugh J. Greechan, Jr., P.E.  
Commissioner of Public Works and Transportation

**DATE:** July 20, 2019

**SUBJECT:** Resolution for Authority to Advertise  
Contract No. 18-520  
Site and Storm Drainage Improvements  
Daniel P. Thomas Material Recovery Facility  
Yonkers, New York

The 2019 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for improvements to site and storm drainage at the Daniel P. Thomas Material Recovery Facility. Work includes clearing and grubbing, site work and grading, constructing new and replacing old storm sewers and manholes, construction of a liner system in a retention pond, installation of stone rip-rap, catch basins, concrete curbing and asphalt paving.

The Department of Environmental Facilities had been served with several inspection reports by the New York State Department of Environmental Conservation (“NYSDEC”) notifying the Department that the County is in violation at the MRF/Transfer Station Facility for not having sufficient leachate control measures in place. The NYSDEC requested the County take action to provide a long-term solution to prevent leachate discharges into the stormwater system at this location. As such, the objective of this contract is to allow the Department of Environmental Facilities to construct a leachate collection system to control and contain stormwater runoff and contain certain leachate discharges on site.

This contract will benefit the public as it effectuates the containment of runoff from the facility avoiding potential adverse environmental impact to the surrounding properties and receiving waters, thereby promoting public health policies and laws.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

# RESOLUTION

Upon communication from the Commissioner of Public Works and Transportation, be it

**RESOLVED**, that the Commissioner of Public Works and Transportation be and he hereby is authorized to solicit bids by public advertisement on the following contract:

CONTRACT NO. **18-520**  
Site and Storm Drainage Improvements  
Daniel P. Thomas Material Recovery Facility  
Yonkers, New York
