

71861

TO: Board of Acquisition and Contract
FROM: Hugh J. Greechan, Jr., PE
Commissioner of Public Works and Transportation
DATE: October 1, 2019
SUBJECT: Authority to Enter into Agreement #19-926
In the matter of Engineering Services in connection with the
Replacement of Bronx River Parkway Bridge (North of Greenacres Avenue) over Bronx River
(BIN 3348719), Village of Scarsdale, New York

Consultant: Lockwood, Kessler & Bartlett, Inc.
Agreement Amount: \$922,000.00

Subconsultant Approval: Terry Bergendorff Collins Land Surveying, PLLC (**WBE**)
Infra Tech Engineering, LLC (**MBE/WBE/DBE**)

Authority of your Honorable Board is requested for the County of Westchester (the "County") acting by and through its Department of Public Works and Transportation (the "Department") to enter into Agreement No. 19-926 (the "Agreement") with Lockwood, Kessler & Bartlett, Inc. (the "Consultant"), One Aerial Way, Syosset, New York 11791, in connection with Engineering Services for the Replacement of Bronx River Parkway Bridge (North of Greenacres Avenue) over Bronx River (BIN 3348719), Village of Scarsdale, New York. The Consultant shall provide design and construction administration services associated with this project. Design services shall include the preparation of construction contract documents (drawings and specifications), construction cost estimates, any required addenda, and a bid analysis including an evaluation of the bids to determine compliance with bidding requirements and whether the bidders are responsible so that the County may recommend award of the construction contracts. In addition, the Consultant shall provide design services during construction consisting of shop drawing and submittal review, attendance at project meetings, periodic site visits and preparation of as-built drawings. For construction administration services, the Consultant shall monitor the construction procedures on the site to ensure compliance with the contract documents, coordinate scheduled activities of the contractors, submit construction progress reports and review and process contractors' applications for payment.

The objective of this project will be to replace the Bronx River Parkway Bridge (North of Greenacres Avenue) over Bronx River (BIN 3348719). This work is necessary due to deterioration of the bridge. The existing bridge was built in 1920 and has an annual average daily traffic count ("AADT") of 33,600. It is a single span multi-stringer bridge approximately 53 feet long by 52 feet wide. This bridge has a condition rating of 4.875 and requires reconstruction to insure that it can remain a key component of the County's infrastructure, vital to the Village of Scarsdale. This rating system, using a scale of 1 ("hazardous") through 7 ("new"), is a weighted average of the condition of an evaluated bridge. A rating below 5 indicates that a bridge requires work and delay of this work shall result in the continued deterioration of the bridge. The reconstruction work shall include, but not be limited to, the following items: replacement of the existing structure including construction of pile foundations, abutments, structural deck, approaches, railings and associated work. This Agreement will benefit the public as it will enhance the functionality of the bridge structure and roadway ensuring its safe use by the traveling public.

Board of Acquisition and Contract

Agreement No. 19-926

Replacement of Bronx River Parkway Bridge (North of Greenacres Avenue) over Bronx River (BIN 3348719)

Village of Scarsdale, New York

Lockwood, Kessler & Bartlett, Inc.

Since the estimated fee for professional services was greater than \$100,000, in accordance with the Rules of the Professional Prequalification and Selection Boards, on July 19, 2018, a meeting of the Professional Prequalification Board was held to discuss the scope of work and request a list of qualified firms to provide the necessary services. The list was reviewed by the Professional Selection Board on August 30, 2018 whereby Barton & Loguidice, D.P.C.; Hardesty & Hanover, LLC; Hudson Valley Engineering Associates, P.C., d/b/a HVEA Engineers; KS Engineers, P.C.; and Lockwood, Kessler & Bartlett, Inc. were selected to possibly perform said services. On May 3, 2019, a request for proposal ("RFP") was sent to the qualified firms and subsequently three (3) proposals were received on June 18, 2019.

After reviewing the proposals, and based on the evaluation criteria set forth in the RFP, including technical merit and net cost, the Professional Selection Board at its meeting held September 4, 2019, selected Lockwood, Kessler & Bartlett, Inc. as the number one firm to perform engineering services in connection with the Replacement of Bronx River Parkway Bridge (North of Greenacres Avenue) over Bronx River (BIN 3348719), Village of Scarsdale, New York, for a total fee of \$922,000.00, pursuant to an approved budget, which represents the best possible contract for the County.

In addition, the Consultant has requested the utilization of the following subconsultants: Terry Bergendorff Collins Land Surveying, PLLC, a WBE firm, for Land Surveying Services, 52 Star Ridge Road, Brewster, New York 10509; and Infra Tech Engineering, LLC, a MBE, WBE, and DBE firm, for Construction Inspection Services, 520 White Plains Road, Tarrytown, New York 10591.

The proposed has been reviewed and is judged to be responsive to the task at hand.

The Department will track scheduling and accomplishments by the Consultant and perform on-site inspections to ensure the successful completion of this project.

This matter has been reviewed by the Deputy County Executive and the Commissioner of the Department of Planning, and they are in concurrence.

I recommend adoption of the attached proposed Resolution.

HJG/RSD/KMR/as

RESOLUTION

Upon communication from the Commissioner of Public Works and Transportation, be it hereby

RESOLVED, that approval is hereby granted for the County of Westchester (the "County") acting by and through its Department of Public Works and Transportation (the "Department") to enter into Agreement No. 19-926 (the "Agreement") with Lockwood, Kessler & Bartlett, Inc. (the "Consultant"), One Aerial Way, Syosset, New York 11791, in connection with Engineering Services for the Replacement of Bronx River Parkway Bridge (North of Greenacres Avenue) over Bronx River (BIN 3348719), Village of Scarsdale, New York. The Consultant shall provide design and construction administration services associated with this project. Design services shall include the preparation of construction contract documents (drawings and specifications), construction cost estimates, any required addenda, and a bid analysis including an evaluation of the bids to determine compliance with bidding requirements and whether the bidders are responsible so that the County may recommend award of the construction contracts. In addition, the Consultant shall provide design services during construction consisting of shop drawing and submittal review, attendance at project meetings, periodic site visits and preparation of as-built drawings. For construction administration services, the Consultant shall monitor the construction procedures on the site to ensure compliance with the contract documents, coordinate scheduled activities of the contractors, submit construction progress reports and review and process contractors' applications for payment; and be it further

RESOLVED, that for services rendered in accordance with the Consultant's proposal, a total compensation of \$922,000.00, shall be provided, pursuant to an approved budget; and be it further

RESOLVED, that the use of the following subconsultants also be approved: Terry Bergendorff Collins Land Surveying, PLLC, a WBE firm, for Land Surveying Services, 52 Star Ridge Road, Brewster, New York 10509; and Infra Tech Engineering, LLC, a MBE, WBE, and DBE firm, for Construction Inspection Services, 520 White Plains Road, Tarrytown, New York 10591; and be it further

RESOLVED, that the Agreement shall commence upon the Consultant's receipt of written notice from the Commissioner of Public Works and Transportation or his designee and that the completion date shall be December 31, 2024; and be it further

RESOLVED, that the County Executive or his duly authorized designee is hereby authorized and empowered to execute any and all documents necessary or appropriate to effectuate the purposes hereof.
