Re: Authority to purchase Commercial General Liability Insurance from Lexington Insurance Company through the brokerage firm of Spain Agency, Inc. for Polling Sites for Primary and General Elections. The premium cost of this insurance package shall not exceed \$125,000.00 for the policy period March 1, 2020 through March 1, 2021.

---

Pursuant to the New York State Election Consolidation and Improvement Act of 2005, Section 4-104(1) of the New York Election law requires the County Board of Elections to designate the polling places in each election district in which any election may be held. Several of the owners of the sites which the County Board of Elections has designated as polling places require the County to provide evidence of insurance naming the site owner as an additional insured.

Authority is now requested for the County of Westchester to purchase Commercial General Liability Insurance from Lexington Insurance Company through the brokerage firm of Spain Agency, Inc. for Polling Sites for Primary, General and Village Elections. The premium cost of this insurance package shall not exceed \$125,000.00 for the policy period March 1, 2020 through March 1, 2021 to cover four (4) Elections tentatively identified as follows: 1) March 18, 2020 - Village Elections in Bronxville, Elmsford, Pleasantville, Rye Brook, Sleepy Hollow, and Tuckahoe 2) April 28, 2020 - Presidential Primary with early voting taking place April 18th - 26th, 2020 3) June 23, 2020 - Primary with early voting to take place June 13<sup>th</sup> - 21<sup>st</sup>, 2020 3) November 5, 2020- General Election, with early voting to take place October 24<sup>th</sup> to November 1<sup>st</sup>, 2020. Should any additional or alternative election dates (or polling sites) be required (for example, a special election), they will be added by endorsement.

The insurance package provides \$2,000,000.00 in Commercial General Liability coverage, (\$2,000,000 aggregate and \$1,000,000.00 per occurrence) which is subject to a \$25,000.00 deductible. The insurance will cover the dates of the election and the day before and the day after each event to allow for set up and take down.

The public purpose of the procurement of insurance is to ensure that polling places are adequately insured on all 2020 Election dates. The goal of maintaining adequate liability insurance coverage at polling places and any claims related thereto will be tracked and monitored by the Office of Risk Management on an ongoing basis.

This procurement is exempt under the Westchester County Procurement Policy pursuant to Section 3 (a)(v) thereof which exempts procurements of insurance or surety bonds.

Accordingly, your favorable action on the annexed Resolution is recommended.
