TO: Board of Acquisition and Contract
FROM: Hugh J. Greechan, Jr., PE
Commissioner of Public Works and Transportation
DATE: April 21, 2020
SUBJECT: Request Authority to Obtain a Proposal and Negotiate a Fee with LynStaar Engineering, P.C., a WBE firm, in connection with Electrical Engineering Consulting Services for Various Capital Building Projects (#20-917)

Authority of your Honorable Board is requested to obtain a proposal and to negotiate a fee in connection with electrical engineering consulting services for various capital building projects.

The objective of this project is to provide electrical engineering consulting services for various capital building projects in Westchester County. The electrical engineering services will assist Engineering Division staff in the Department of Public Works and Transportation for the planning and design of various capital projects. This agreement will benefit the public as it provides electrical engineering services required for improvements of various County owned facilities in compliance with applicable building codes.

On February 14, 2019, the Professional Prequalification Board was canvassed for the purpose of generating an eligible list of qualified firms to provide electrical engineering services for under \$100,000. The Professional Prequalification Board approved a list of five (5) qualified firms. As the fee is estimated to be less than \$100,000, on April 21, 2020 the Professional Selection Board reviewed this eligible list of qualified firms and selected the best three qualified firms to possibly perform said services. The three firms were:

1. LynStaar Engineering, P.C.
12 Water Street, Suite 202
White Plains, New York 10601
2. OLA Consulting Engineers, P.C.
50 Broadway
Hawthorne, New York 10532
3. C & F Consulting Engineering, P.C.
420 North Broadway
White Plains, New York 10603

After careful consideration, the Professional Selection Board ranked the firm of LynStaar Engineering, P.C., a WBE firm, as the number one firm suitable for this proposal for these professional services. Authorization to enter into an Agreement will be submitted to your Honorable Board when negotiations are satisfactorily completed. This selection process followed the requirements as outlined in the Rules of the Professional Prequalification and Selection Boards and the Laws of Westchester County.

This matter has been reviewed by the Deputy County Executive and the Commissioner of the Department of Planning, and they are in concurrence.

Board of Acquisition and Contract
Electrical Engineering Consulting Services for
Various Capital Building Projects
LynStaar Engineering, P.C.
Agreement No. 20-917
Page 2

Payment for this contract will be made from the various County capital project accounts for which the services are rendered as needed and as determined by the Department of Public Works and Transportation.

I recommend adoption of the attached proposed Resolution.
