Pathologist/ Deputy Medical Examiner

DATE: July 7, 2020

RE: Request for authority for the County of Westchester to enter into a grant agreement with the State of New York State for the County's Department of Laboratories and Research's Division of Toxicology to participate in the New York State's Highway Safety Program, for a term commencing October 1, 2020 and expiring September 30, 2021, in an amount not to exceed \$77,000.00.

The attached resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County"), acting by and through its Department of Laboratories and Research ("Department") to enter into an agreement (the "Agreement") with the New York State, acting by and through its Governor's Traffic Safety Committee ("State") pursuant to which the Department's Division of Toxicology will participate in the New York State's Highway Safety Program, for a term commencing October 1, 2020 and expiring September 30, 2021, in an amount not to exceed \$77,000.00

The public purpose of this Agreement is to promote the public safety and security of the residents of Westchester County through the Division of Toxicology lab's ability to provide timely DWI (Driving While Intoxicated) and DWAI (Driving While Ability Impaired) results, thereby expediting criminal case processing.

The objective of this resolution is to accept State funding to provide the Westchester County Law Enforcement community with timely and quality scientific DWI and DWAI results from the evidence submitted to the Division of Toxicology's laboratories. Timely analyses are extremely important for prosecution in order to provide the citizens of Westchester County a higher degree of public safety by reducing highway crashes, injuries and deaths. The Department will monitor and report the progress of this Agreement in quarterly progress reports provided to the granting authority.

I certify that my Department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

An appropriate resolution is herewith attached for your Honorable Board's consideration.
