Re: Authority to purchase Commercial General Liability Insurance from Lexington Insurance Company through the brokerage firm of Brown & Brown of New York, Inc. (d/b/a The Spain Agency) for Polling Sites for Primary and General Elections. The premium cost of this insurance package shall not exceed \$78,145 for the policy period March 1, 2021 through March 1, 2022.

Pursuant to the New York State Election Consolidation and Improvement Act of 2005, Section 4-104(1) of the New York Election law requires the County Board of Elections to designate the polling places in each election district in which any election may be held. Several of the owners of the sites which the County Board of Elections has designated as polling places require the County to provide evidence of insurance naming the site owner as an additional insured.

Authority is now requested for the County of Westchester to purchase Commercial General Liability Insurance from Lexington Insurance Company through the brokerage firm of Brown & Brown of New York, Inc. (d/b/a The Spain Agency) for Polling Sites for Primary, General and Village Elections. The premium cost of this insurance package shall not exceed \$78,145 for the policy period March 1, 2021 through March 1, 2022 to cover three (3) Elections tentatively identified as follows: 1) March 16, 2021 - Village Elections; 2) June 22, 2021 - Primary with early voting taking place June 12th - 20th, 2021; 3) November 2, 2021 - General Election, with early voting to take place October 23rd - 31st, 2021. The polling sites have not yet been determined. Should any additional or alternative election dates be required (for example, a special election), they will be added by endorsement.

The insurance package provides \$2,000,000.00 in Commercial General Liability coverage, (\$2,000,000 aggregate and \$1,000,000.00 per occurrence) which is subject to a \$25,000.00 deductible. The insurance will cover the dates of the election and the day before and the day after each event to allow for set up and take down.

The public purpose of the procurement of insurance is to ensure that polling places are adequately insured on all 2021 Election dates. The goal of maintaining adequate liability insurance coverage at polling places and any claims related thereto will be tracked and monitored by the Office of Risk Management on an ongoing basis.

This procurement is exempt under the Westchester County Procurement Policy pursuant to Section 3 (a)(v) thereof which exempts procurements of insurance or surety bonds.

Accordingly, your favorable action on the annexed Resolution is recommended.
