Re: Authority for the County of Westchester, acting by and through Westchester Community College, to amend an agreement with the Dormitory Authority of the State of New York ("DASNY") for the provision by DASNY of certain design and purchasing services for furniture, fixtures and equipment in connection with a new Cyber Security Laboratory.

On April 25, 2022, the College and the Dormitory Authority of the State of New York ("DASNY") entered into an agreement whereby DASNY was to provide furnishings for the College's Cyber Security Laboratory for a term not to exceed one (1) year commencing on or about April 15, 2022 for an amount not to exceed \$160,500. It has since been determined that the College desires to also have DASNY procure the audio visual and technology equipment for the laboratory, thereby requiring an amendment to the agreement.

Accordingly, authority is respectfully requested from your Honorable Board for the County of Westchester (the "County"), acting by and through Westchester Community College ("WCC"), to amend an agreement (the "Agreement") with the State of New York, acting by and through DASNY, to increase the design and purchasing services to be provided by DASNY for WCC's Cyber Security Laboratory from an amount not to exceed \$160,500.00 to an amount not to exceed \$392,500. Authority is further requested that the term of the Agreement be extended from April 24, 2023 through September 30, 2023

The Westchester Community College Foundation will be providing the grant funding to WCC for these services in support of the Center of Academic Excellence in Cybersecurity at the College.

Pursuant to Title 4 of Article 8 of the Public Authorities Law, DASNY is authorized to, among other things, design, construct and otherwise provide and furnish facilities for locally sponsored community colleges. The goal and objective

of the proposed amended Agreement is to provide the additional terms pursuant to which DASNY will undertake the Project on behalf of WCC.

It should be noted that this agreement is exempt from the County's Procurement Policy pursuant to Section 3(a)iii thereof.

Accordingly, attached for your consideration is a resolution which, if approved, would authorize the County to enter into this Agreement. I recommend approval of the attached resolution.
