TO: Board of Acquisition and Contract
FROM: John J. Hsu, P.E.
Commissioner of Public Works
DATE: September 8, 2010
SUBJECT: Resolution for Authority to Advertise
Contract No. 09-508
Pump Station Rehabilitation Program
Magnolia and Woodbine Pump Stations
Larchmont, New York

The 2010 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for the replacement and upgrade of the manually cleaned bar screens, pumps, piping, valves, meters, and bypass pumping vault. Also included is the upgrade of the plumbing, HVAC, electrical and control systems.

In accordance with Local Law No. 1-1998, the Department of Public Works has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to allow the Department of Environmental Facilities to maintain its pumping station systems and to ensure continuous and reliable processing of wastewater.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring continued uninterrupted operation of wastewater treatment systems. This project will enable the Department of Environmental Facilities to carry out its basic mission to provide wastewater treatment and maintain satisfactory water quality, thus addressing the County Executive's priority area: Health and the Environment (HE).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
