TO: Board of Acquisition and Contract

FROM: John J. Hsu, P.E.
Commissioner of Public Works

DATE: September 30, 2010

SUBJECT: Resolution for Authority to Advertise
Contract No. 10-556
Drainage, Stormwater and Roadside Improvements
Pines Bridge Road (C.R. 1323) and Ryder Road (C.R. 19)
Towns of Ossining and New Castle, New York

The 2010 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install new storm sewer piping and detention basin systems. The project also includes the repair of catch basins, guide rail, and asphalt swales.

The objective of this contract is to replace substandard drainage systems and guide rail along roadway shoulders, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that Pines Bridge Road and Ryder Road meet current codes and standards as well as reducing the County's annual maintenance costs.

The project will provide an environmental benefit by reducing erosion and flooding.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
