Re: **AUTHORIZATION FOR THE COUNTY OF WESTCHESTER TO ENTER INTO THE FIRST OF THREE RENEWAL TERMS OF THE AGREEMENT WITH PARTNERS IN SAFETY, INC. TO PROVIDE RANDOM DRUG TESTING OF CORRECTION OFFICERS AND CORRECTION SUPERVISORS, IN AN AMOUNT NOT TO EXCEED \$20,000.00, FOR THE TERM JANUARY 1, 2011 THROUGH DECEMBER 31, 2011 WITH THE SAME TERMS AND CONDITIONS**

Authority is hereby requested from your Honorable Board to authorize the County to enter into the first of three renewal terms of the agreement with Partners In Safety, Inc. ("PIS") for the provision of comprehensive random drug testing of Correction Officers and Correction Supervisors, for the term January 1, 2011 through December 31, 2011, in an amount not to exceed \$20,000.00, to be carried out in accordance with an approved scope of work and to be paid pursuant to an approved fee schedule, both of which are attached hereto as Schedule "A."

The contract is exempt from the Westchester County Procurement Policy pursuant to section 3(a)viii thereof.

The goals and objectives of this Agreement are to promote and maintain a drug-free workplace at the Department of Correction, to conduct substance abuse testing in a professional and confidential manner that meets licensing standards and applicable collective bargaining requirements, and to promote the highest standards of professional conduct and workplace safety. The Department of Correction and Partners in Safety will work in a collaborative manner to: (1) insure the integrity of the collection and screening process and (2) actively monitor the reporting of test results in a timely, confidential and professional manner.

Based on past performance, continuity of service, satisfaction with previous contracts, reasonable pricing without any rate increases in subsequent amendments, and the convenience of the collection site in White Plains, (which is cost effective by reducing transportation costs and related labor costs) it is proposed that it is in the best interest of the County to enter into agreement with Partners in Safety.

These services will be tracked and monitored by the Department of Correction's Special Investigation Unit which participates in the off-site screening.

For the foregoing reasons, approval of the attached Resolution is respectfully requested.
